Rancho Santa Fe Fire Protection District Operations Report

August 2026

WFTIIC Four Month Outlook

Visit WFTIIC Website @ <https://wftiic.ca.gov> for more information | Created: September 1, 2026

Significant Fire Potential | September - December 2026

Northern Operations | Source Link: NOPS Predictive Services

- Fluctuating weather patterns during the next four months which should include healthier periods of marine layer influences, mixed temperature and precipitation anomalies.
- Extended periods of unusually dry-flammable, dead-live fuel alignments should be most frequent across portions of the north and east during September then occur at normal time frames for the rest of the outlook period although the Region will be monitoring October closely.
- Significant Fire Potential is projected to be near to above normal during September, then lowers to normal from October to December.

Southern Operations | Source Link: SOPS Predictive Services

- Precipitation will likely be near to below normal in September and then above normal in October through December.
- Temperatures will likely be above normal in September and then below normal October through December.
- The amount of Santa Ana wind events this fall will likely be less than normal as storms drop down to the West Coast instead of moving inland into the Pacific Northwest and then drop down into the Great Basin and Desert Southwest.

Drought Monitor

California | U.S. Drought Monitor (unl.edu)

Although about 65% of California is unusually dry, actual drought remains low, with only 13.9% of the state experiencing moderate drought and a minute 1.3% in severe drought; mostly concentrated along the far northern and eastern borders, the Sierra Nevada, and the southern deserts. Based on the outlook, northeastern California and the Far Eastside face a higher risk of fire growth in September due to dry fuels. However, wildfire risk throughout the rest of the state is expected to stay at normal levels through December due to cooler autumn days, forecasted precipitation, and below normal amount of anticipated Santa Ana wind events.

Updated August 31, 2026

The 2026 fire year has been mild so far compared to previous years. As of August 31, 2026, approximately 302,226 acres have burned in California. This is far below the five-year average of 701,005 acres, or 57% of the average. The Gann Fire is the most destructive fire, with 48 structures destroyed. The Plaskett Fire is the largest fire and is mapped at 26,734.22 acres as of August 31, 2026. A low number of lightning strikes and mild drought conditions are possible contributing factors. However, 2026 is far from over as California enters the Santa Ana wind season.

STAFF REPORT

NO. 26-17

TO: BOARD OF DIRECTORS
FROM: DAVE MCQUEAD, FIRE CHIEF
SUBJECT: RESOLUTION 2026-08, PORTAL TO PORTAL PAY
DATE: SEPTEMBER 16, 2026

RECOMMENDATION

Staff recommends the Board of Directors adopt the attached resolution amending the current Portal-to-Portal Pay Memorandum of Understanding (MOU) to include the positions of **Fire Marshal, Deputy Fire Marshal, and Fire Prevention Specialist**.

BACKGROUND

The California Fire Assistance Agreement (CFAA) governs the operational and administrative protocols that allow local government fire agencies to deploy personnel and apparatus to emergency incidents throughout the state under the California Mutual Aid System. The CFAA is a cooperative agreement among the California Governor's Office of Emergency Services (Cal OES), CAL FIRE, and various Federal Fire Agencies. These agencies have operated under the California Master Mutual Aid Agreement for over 70 years to coordinate federal, state, and local resources for effective response to wildland fires and other large-scale emergencies.

Participation in the Mutual Aid System enables local agencies like the Rancho Santa Fe Fire Protection District to respond to incidents beyond their jurisdiction and receive reimbursement for eligible costs incurred during deployments. These costs include personnel time, apparatus use, and associated overhead, provided the agency has adopted a resolution or MOU that clearly identifies its compensation policy—specifically, “portal to portal” pay.

The CFAA allows reimbursement from the time of dispatch to the time of return (i.e., portal to portal), if a local agency has documentation on file stating that employees are compensated accordingly. Without such documentation, reimbursements are limited to actual hours worked on scene, which can result in unrecovered costs for deployment time.

The district previously adopted a Portal-to-Portal Pay MOU identifying eligible classifications for such reimbursement. However, now deployable positions, **Fire Marshal, Deputy Fire Marshal, and Fire Prevention Specialist**, were not included in the original MOU. This resolution seeks to add this classification, ensuring the district can continue to receive full cost recovery for all eligible personnel deployed under the CFAA.

FISCAL IMPACT

No new costs to the district. Approval of this resolution allows full cost recovery for personnel already compensated under standard District policy.

FIRST AMENDMENT TO LEASE AGREEMENT COMMUNICATIONS SITE

This First Amendment to Lease Agreement Communications Site (“**First Amendment**”) is made, and shall be effective, as of the last date of the signatures below (“**Effective Date**”), between Rancho Santa FE Fire Protection District, a political subdivision of the State of California (“**District**”), and Cellco Partnership d/b/a Verizon Wireless (“**Lessee**”). District and Lessee may be referenced in this First Amendment individually as a “**Party**” or collectively as the “**Parties**.”

WHEREAS, District and Lessee (or their predecessors in interest) entered into that certain Lease Agreement Communications Site, dated May 12, 2008, as may have been previously amended, (the “**Agreement**”), pursuant to which District leases to Lessee a portion of that certain building and/or building rooftop on and within that certain property located at 18040 Calle Ambiente, Rancho Santa Fe, CA 92067, as more particularly described in the Agreement; and

WHEREAS, the Parties desire to amend the Agreement as set forth herein.

NOW, THEREFORE, in consideration of the mutual covenants and promises contained in this First Amendment, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged by the Parties, the Parties hereby agree to amend the Agreement as follows:

1. **Term**. Notwithstanding anything contained in the Agreement to the contrary, commencing on September 1, 2029, the term of the Agreement shall be extended for five (5) years (“**Initial Extension Term**”). The term of the Agreement shall thereafter automatically extend for four (4) additional terms of five (5) years each (each, an “**Additional Extension Term**”) (collectively, the remaining term of the Agreement, the Initial Extension and each Additional Extension Term are the “**Term**”), unless Lessee terminates the Agreement by giving District notice of such termination at least 30 days prior to the expiration of the Initial Extension Term or then-current Additional Extension Term.

2. **Rent**. Commencing on September 1, 2029, the rent shall be an amount of Three Thousand Four Hundred Eighty-Two and 67/100 Dollars (\$3,482.67) to be paid monthly on the first day of the month in advance to District or such other person as District may designate in writing at least 30 days in advance of any rental payment date. Commencing on September 1, 2030 and on each subsequent year during the Term, monthly rent shall increase annually by 3% over the monthly rent for the immediately preceding year.

District must register in the Verizon Landlord Connect portal (“**VLC Portal**”) at <https://landlordconnect.verizon.com> and shall utilize the VLC Portal to submit changes to District’s account information (e.g. notice address, ownership information, banking details, email address), provide rental documents, view rental payments, submit an invoice/bill (e.g. utilities) for payment, and to access this Agreement or certificates of insurance.

3. **Rent Credit**. To the extent this First Amendment provides for a reduction in rent, the Parties acknowledge and agree that Lessee shall be entitled to a credit in the event of any

overpayment of rent resulting from said reduction in rent. Such credit shall be applied against Lessee's rent due under the Agreement.

4. Notice Address. The notice address for Lessee in the Agreement is hereby amended as follows:

If to Lessee: Verizon Wireless
Attn: Legal Intake
Basking Ridge Mail Hub
One Verizon Way
Basking Ridge, NJ 07920

5. Taxes. Notwithstanding anything to the contrary contained in the Agreement, if District is required by law to collect any federal, state, or local tax, fee, or other governmental imposition (each, a "Tax") from Lessee with respect to the transactions contemplated by this Agreement, then District shall bill such Tax to Lessee in the manner and for the amount required by law, Lessee shall promptly pay such billed amount of Tax to District, and District shall remit such Tax to the appropriate tax authorities as required by law; provided, however, that District shall not bill to or otherwise attempt to collect from Lessee any Tax with respect to which Lessee has provided District with an exemption certificate or other reasonable basis for relieving District of its responsibility to collect such Tax from Lessee. Except as provided in this Section, District shall bear the costs of all Taxes that are assessed against or are otherwise the legal responsibility of District with respect to itself, its property, and the transactions contemplated by this Agreement. Lessee shall be responsible for all Taxes that are assessed against or are otherwise the legal responsibility of Lessee with respect to itself, its property, and the transactions contemplated by this Agreement.

6. INTENTIONALLY OMITTED

7. Memorandum of Amendment. Contemporaneously with this Amendment, the Parties will execute a memorandum of this First Amendment (the "Memorandum of Amendment"), as may be appropriate to reflect the amended terms contained in this First Amendment. The Parties agree to, within thirty (30) days of the full execution of this First Amendment, to execute and District agrees to allow Lessee to submit the Memorandum of Amendment to the appropriate office for recording and the recorded copy of such Memorandum of Amendment will be provided to District upon receipt of the recorded document.

8. Continued Effect. Except as amended hereby, all of the other terms and conditions of the Agreement shall remain in full force and effect. In the event of a conflict between any term and provision of the Agreement and this First Amendment, the terms and provisions of this First Amendment shall control. In addition, except as otherwise stated in this First Amendment, all initially capitalized terms shall have the same respective defined meaning stated in the Agreement. All captions are for reference purposes only and shall not be used in the construction or interpretation of this First Amendment.

CONSUMER DISCLOSURE

From time to time, Md7 (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign, Inc. (DocuSign) electronic signing system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to these terms and conditions, please confirm your agreement by clicking the "I agree"™ button at the bottom of this document.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after signing session and, if you elect to create a DocuSign signer account, you may access them for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. To indicate to us that you are changing your mind, you must withdraw your consent using the DocuSign "Withdraw Consent"™ form on the signing page of a DocuSign envelope instead of signing it. This will indicate to us that you have withdrawn your consent to receive required notices and disclosures electronically from us and you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures

electronically from us.

How to contact Md7:

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:

To contact us by email send messages to: abard@md7.com

To advise Md7 of your new e-mail address

We do not require any other information from you to change your email address..

In addition, you must notify DocuSign, Inc. to arrange for your new email address to be reflected in your DocuSign account by following the process for changing e-mail in the DocuSign system.

To request paper copies from Md7

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an e-mail to abard@md7.com and in the body of such request you must state your e-mail address, full name, US Postal address, and telephone number. We will bill you for any fees at that time, if any.

To withdraw your consent with Md7

To inform us that you no longer want to receive future notices and disclosures in electronic format you may:

- ii. send us an e-mail to abard@md7.com and in the body of such request you must state your e-mail, full name, US Postal Address, and telephone number. District is the owner or has required rights to that certain parcel of real property located at 18040 Calle Ambiente, Rancho Santa Fe, CA. 92067 which is commonly referred to as the Cielo Fire Station [RSF - S4] (the entirety of District's property is referred to hereinafter as the "Property" and is more particularly described in Exhibit "A" attached hereto and made a part hereof). District hereby leases to Lessee and Lessee hereby leases from District, for the rent and upon the covenants and conditions hereinafter set forth, a portion of the Property as delineated on Exhibit "B" attached hereto and made a part hereof ("Premises") to be used for the purpose of constructing, maintaining and operating a communications facility and uses incidental and all necessary appurtenances thereto. The Premises shall also include a non-exclusive right of access to the Premises, seven (7) days a week, twenty-four (24) hours a day, and a right to conduct any lawful activity related to the installation and maintenance of utility wires, cables, conduits and pipes to and from Lessee's equipment to the authorized utility sources, and between Lessee's equipment at the Property.

ARTICLE 2 TERM

The term of this Lease shall be eleven (11) years commencing upon the Commencement Date as hereinafter defined and terminating eleven (11) years from the Commencement Date of this Lease. The "Commencement Date" is defined as the first (1st) day of the month following the date Lessee commences construction at the Premises, provided however, that notwithstanding the foregoing, the Commencement Date shall be no later than six (6) months from the date this Lease is executed by all parties. This Lease shall automatically be extended for two (2) additional five (5) year terms (each, an "Extension Term") unless Lessee terminates it at the end of the then current term by giving District written notice of the intent to terminate at least six (6) months prior to the end of the then current term. This Lease may be terminated by Lessee without further liability on not less than thirty (30) days prior written notice as follows:

- (i) if Lessee does not obtain or maintain licenses, permits, or other approvals necessary to the

construction or operation of Lessee's Facilities (as defined in Article 5) within nine (9) months of execution of this Lease; (ii) if Lessee is unable to occupy or utilize the Premises due to a ruling or directive of the FCC or other governmental or regulatory agency, including, but not limited to, a take back of channels or change in frequencies; (iii) if the Premises or the Property is destroyed or damaged so as in the Lessee's reasonable judgment to hinder its effective use of the Premises, and District does not provide Lessee with a suitable temporary site for Lessee's Facilities, or District decides not to repair or rebuild in a manner reasonably suitable for Lessee's continuing use; or (iv) if Lessee determines that the Premises are not appropriate for its operations for economic, environmental, or technological reasons, including, without limitation, signal strength or interference. Upon termination, District will retain all prepaid rent unless such termination is due to District's failure of proper ownership or authority, or such termination is a result of District's default. Further, upon termination, Lessee shall, within sixty (60) days, remove all its equipment and return the Premises to its condition prior to the Lease, reasonable wear and tear excepted, with the exception that all trees will remain.

ARTICLE 3 RENT

3.1 Base Monthly Rent. Subject to adjustment as provided in Section 3.2, "Annual Adjustments to Base Monthly Rent," below, Lessee shall pay as rent for the use and occupancy of the Premises the sum of One Thousand Eight Hundred Fifty Nine Dollars (\$1,859.00) per month ("Base Monthly Rent"). Lessee shall pay said rent in advance, on the first day of each calendar month ("Rent Due Date"), without setoff, deduction, prior notice or demand, unless otherwise provided in this Lease, beginning on the Commencement Date.

3.1.1 Rent During Extensions. All of the covenants, agreements, terms, provisions and conditions of this Lease, insofar as applicable and relevant, shall apply during any Extension Term except that Lessee shall pay to District Base Monthly Rent for the first year of each Extension Term an amount equal to the then "prevailing market rental" as herein determined, but no event less than the Base Monthly Rent during the last month of the preceding term. For the purposes hereof, the "prevailing market rental" shall be determined as follows: During the period commencing ninety (90) days before the expiration of the term District and Lessee shall attempt to determine Base Monthly Rent for the Premises for said first year of the Extension Term. If District and Lessee are unable during such period to determine the Base Monthly Rent, they shall no later than sixty (60) days before the expiration of the term each appoint a qualified real estate consultant and the consultants so appointed shall jointly attempt to determine the Base Monthly Rent. If the Consultants are unable, by thirty (30) before the expiration of the term determine the Base Monthly Rent, the consultants shall jointly appoint a third consultant. The three consultants by a majority decision, rendered no later than before the expiration of the term, shall determine the Base Monthly Rent. In making a determination of the Base Monthly Rent, the consultants shall take into consideration the rental value of comparable sites in the immediate rental locale of the Premises and used for purposes similar to those of Lessee. Each consultant appointed hereunder shall be a licensed real estate broker in the State of California having at least fifteen (15) years experience in the leasing and appraisal of rental value

of similar properties. No consultant selected hereunder shall have been previously employed or associated directly or indirectly, by either District or Lessee. The determination of the Base Monthly Rent shall be given by the consultants, in writing, to each District and Lessee. District and Lessee shall each pay separately the costs and expenses of the consultant appointed by them and the parties shall jointly pay the costs and expenses of the third consultant, if appointed. The agreed upon Base Monthly Rent will be subject to the same terms and conditions of the Cost Of Living Adjustments as set forth in paragraph 3.2 of this Lease.

3.2 Annual Adjustments to Base Monthly Rent. The Base Monthly Rent provided for in Section 3.1, "Base Monthly Rent," shall be adjusted on each annual anniversary of the Commencement Date, by a formula as follows:

$$\text{Renewal Rent} = (\text{Basic Rent}) + \left(\left[\frac{(\text{IR} - \text{IL})}{\text{IL}} \right] \times \text{Basic Rent} \right)$$

Definitions: (i) "IR" is the Consumer Price Index for the month which is three (3) months immediately preceding the then current annual anniversary of the Commencement Date; (ii) "IL" is the Consumer Price Index for the month which is three (3) months immediately preceding the month in which the current term of this Lease commenced; (iii) "Basic Rent" is the initial annual rent to be paid by Lessee under this Lease for the then existing term; and (iv) "Consumer Price Index" shall mean the Consumer Price Index published by the Bureau of Labor Statistics of the United States Department of Labor for Urban Wage Earners and Clerical Workers for All Items (CPI-W) – San Diego average or shall mean the successor thereto. In the event the Consumer Price Index is converted to a different standard reference base or otherwise revised, the determination of the rent for the second year and each succeeding year shall be made with the use of such conversion factor, formula or table for converting the Consumer Price Index as may be published by the Bureau of Labor Statistics, or if the Bureau should fail to publish the same, then with the use of such conversion factor, formula or table for converting the Consumer Price Index as may be published by Prentice Hall, Inc., or any other nationally recognized publisher or similar statistical information. If the Consumer Price Index ceases to be published and there is no successor thereto, such other index as District and Lessee may agree upon shall be substituted for the Consumer Price Index, and if they are unable to agree, then such matter shall be submitted to arbitration in accordance with the then existing commercial rules of arbitration of the American Arbitration Association at the American Arbitration Association office nearest the Lessee.

3.3 Delivery of Rent Payments. All rent due under this Lease shall be made payable to the Rancho Santa Fe Fire Protection District, and shall be considered paid when delivered to:

Rancho Santa Fe Fire Protection District
P.O. Box 410
Rancho Santa Fe, California 92067

District may, at any time, by at least thirty (30) days prior written notice of any Rent Due Date to Lessee, designate a different address to which Lessee shall deliver the rent payments. District may, but is not obligated to, send monthly rent invoices to Lessee.

3.4 Failure to Pay Base Monthly Rent or Additional Rent; Late Charge.

a. If Lessee fails to pay rent due hereunder within ten (10) business days of written notice from District to Lessee that such rent has not been paid, such unpaid amounts shall bear interest at the rate of ten percent (10%) per year from the date due to the date of payment, computed on the basis of monthly compounding with actual days elapsed compared to a 360-day year. In addition to such interest, the late payment by Lessee of any monthly rental due hereunder will cause District to incur certain costs and expenses not contemplated under this Lease, the exact amount of which costs being extremely difficult or impracticable to fix. Such costs and expenses will include, without limitation, administrative and collection costs, and processing and accounting expenses. Therefore, if any such monthly rental is not received by District within ten (10) business days following the date Lessee receives written notice from the District that such monthly rental was not received, Lessee shall immediately pay to District a late charge equal to five percent (5%) of such overdue amount. This late charge represents a reasonable estimate of such costs and expenses and is fair compensation to District for its loss caused by Lessee's nonpayment. Should Lessee pay said late charge but fail to pay contemporaneously therewith all unpaid amounts of rent due hereunder, District's acceptance of this late charge shall not constitute a waiver of Lessee's default with respect to such nonpayment by Lessee nor prevent District from exercising all other rights and remedies available to District under this Lease or under law.

b. In the event of a dispute between the parties as to the correct amount of Base Monthly Rent owed by Lessee, District may accept any sum tendered by Lessee in payment thereof, without prejudice to District's claim as to the proper amount of rent owing. If it is later determined that Lessee has not paid the full amount of rent owing, the late charge specified herein shall apply only to that portion of the rent still due and payable from Lessee. Notwithstanding any provision of this Article to the contrary, however, District's Fire Chief may waive any delinquency payment or late charge upon written application of Lessee.

ARTICLE 4 SECURITY DEPOSIT

Lessee has paid or will pay to District the amount of One Thousand Dollars (\$1,000.00) as security for Lessee's performance of this Lease. District shall not be required to keep this Security Deposit separate from its general funds, and Lessee shall not be entitled to interest thereon. District may apply all or a part of the Security Deposit to any unpaid rent or other charges due from Lessee, or to cure any other defaults of Lessee under this Lease, including repair and cleaning of the Premises at the expiration of the Term. If any portion of the Security Deposit is so applied, Lessee shall, within ten (10) days after District's demand, deposit cash

sufficient to restore the Security Deposit to its original amount. In the event of bankruptcy or other debtor-creditor proceedings against Lessee, the Security Deposit shall be deemed to be applied first to the payment of rent and other charges due District for the periods prior to the filing of such proceedings. The security deposit will not be a limitation on District's damages or other rights under this Lease, or a payment of liquidated damages, or an advance payment of the rent. If Lessee pays the rent and performs all of its other obligations under this Lease, District will return the unused portion of the security deposit to Lessee within sixty (60) days after the end of the Term.

ARTICLE 5 POSSESSION AND USE

5.1 Permitted Uses. Lessee shall use the Premises for any lawful activity in relation to the construction, maintenance, and operation of a communications facility and uses incidental and all necessary appurtenances thereto. The communications facility may consist of an antenna system including all necessary connecting appurtenances sufficient to be a fully operable communications facility for its intended licensed communications coverage areas. Equipment may include, without limitation, radio transmitting and receiving equipment, batteries, utility lines, transmission lines, radio transmitting and receiving antennas and supporting structures, and improvements ("Lessee's Facilities"). All improvements shall be at Lessee's expense. No one other than Lessee, its agents and employees, or any sublessee or assignee of Lessee authorized under this Lease or approved by District as provided in Article 13, "Assignment and Subletting," below, is permitted to use the Premises for the purposes described herein, and Lessee shall be fully responsible for the activities of its agents, employees and sublessees, if any, on the Premises.

5.2 Duties and Prohibited Conduct. Where Lessee is reasonably in doubt as to the propriety of any particular use, Lessee may request the written determination of District's Fire Chief that such use is or is not permitted, and Lessee will not be in breach or default under this Lease if Lessee abides by such determination. Notwithstanding the foregoing, however, Lessee shall not use nor permit the use of the Premises in any manner that will tend to create waste or a nuisance.

In its use of the Premises, Lessee will not interfere with the operations of District including, but not limited to, its emergency fire and medical services or other existing lessees of the District. In the event of any such interference, Lessee shall take all actions necessary to eliminate such interference in accordance with reasonable technical standards. If any such interference inhibits District's operations, and Lessee does not correct or commence to correct such interference within 24 hours following notice from District to Lessee, or if there are immediate levels of interference and Lessee does not correct or commence to correct such interference with thirty (30) days of receipt of written notice, Lessee shall discontinue operating such equipment, on District's written demand, unless and until it can be operated without interference, or shall replace the interfering equipment with alternative equipment that does not cause such interference. Notwithstanding the foregoing, Lessee shall take immediate measures

to eliminate any interference with emergency fire and medical services.

District agrees that it will require any subsequent occupants of the Property to provide Lessee these same assurances against interference, and District shall have the obligation to promptly eliminate any interference with the operations of Lessee caused by such subsequent occupants. If such interference is not eliminated, Lessee shall have the right to terminate this Lease or seek injunctive relief enjoining such interfering use generated by any other occupant of the Property. In the event that the interference is caused by District, the Lessee sole remedy is termination of the Lease.

Lessee shall not use, or permit the use of, the Premises other than as described above. Noncompliance by Lessee with this provision is grounds for termination of this Lease by the District. In any case where Lessee is, or should reasonably be, in doubt as to the propriety of a particular use, Lessee may request, and will not be in breach or default if Lessee abides by, the written determination of the Fire Chief that such use is or is not permitted. Lessee shall keep the Premises, and every part thereof, in a decent, safe and sanitary condition, free from any objectionable noises or odors, except as may be typically present for the permitted uses specified above.

ARTICLE 6 UTILITIES

If permitted by the local utility company servicing the Premises, Lessee shall furnish and install an electrical submeter at the Premises for the measurement of electrical power used by Lessee's installation. Lessee shall pay to District on the first of each month, commencing on the Commencement Date, an amount equal to one-twelfth (1/12) of the estimated annual electrical usage to be reasonably determined by District and Lessee prior to the Commencement Date and reasonably adjusted thereafter if agreed to by both parties. At least annually District will determine the actual electrical usage by Lessee. Should actual usage be less than the amounts already paid by Lessee, Lessee shall pay the additional amount within thirty (30) days of receipt of an invoice. Should actual usage be less than the amount paid, District shall refund said amount. District shall, at all times, provide electrical service within the Premises. Lessee shall be permitted to use, as necessary (during any power interruption at the Premises or for testing purposes), a temporary generator to be located at the Property by Lessee at no additional cost.

ARTICLE 7 MECHANICS' LIENS

Lessee shall pay, or cause to be paid, all costs for work done by it, or caused to be done by it, on the Premises, and for all materials furnished for or in connection with any such work. If any lien is filed against the Premises, Lessee shall cause the lien to be discharged of record within ten (10) days after Lessee receives written notice that such a lien has been filed. Lessee shall indemnify, defend and hold District harmless from any and all liability, loss, damage, costs, attorneys' fees and all other expenses on account of claims of lien of laborers or materialmen or

others for work performed or materials or supplies furnished for Lessee or persons claiming under Lessee. Lessee shall have the right to contest the validity, nature, or amount of any such lien but, upon the final determination of such questions, shall immediately pay any adverse judgment rendered with all proper costs and charges and shall have the lien released at its own expense. If Lessee desires to contest any such lien, then prior to commencing such contest, will post a bond, where necessary, to release the lien.

ARTICLE 8 SECURITY

Lessee shall be responsible for the security for the Lessee's Facilities only and District shall have no responsibility therefor. Lessee shall restrict access to the Premises by unauthorized persons.

ARTICLE 9 TAXES, ASSESSMENTS AND FEES

9.1 Responsibility for Payment of Taxes and Assessments. District shall not be obligated to pay any taxes or assessments accruing against Lessee on the Premises or any interest of Lessee therein before, during or after the Term, or any extension thereof; all such payments shall be the sole responsibility of Lessee. In addition, Lessee shall be solely responsible for payment of any taxes or assessments levied upon any Improvements, Fixtures or Personal Property located on the Premises, to the extent that such taxes or assessments result from the business or other activities of Lessee upon, or in connection with, the Premises.

9.2 Definition of "Taxes". As used herein, the term "taxes" means all taxes, governmental bonds, special assessments, Mello-Roos assessments, charges, rent income or transfer taxes, license and transaction fees, including, but not limited to, (i) any state, local, federal, personal or corporate income tax, or any real or personal property tax, (ii) any franchise, succession or transfer taxes, (iii) interest on taxes or penalties resulting from Lessee's failure to pay taxes, (iv) any increases in taxes attributable to the sale of Lessee's leasehold interest in the Premises, or (v) any taxes which are essentially payments to a governmental agency for the right to make improvements to the Premises.

9.3 Creation of Possessory Interest. Pursuant to the provisions of Revenue and Taxation Code Section 107.6, Lessee is hereby advised that the terms of this Lease may result in the creation of a possessory interest. If such a possessory interest is vested in Lessee, Lessee may be subjected to the payment of real property taxes levied on such interest. Lessee shall be solely responsible for the payment of any such real property taxes. Lessee shall pay all such taxes when due, and shall not allow any such taxes, assessments or fees to become delinquent and a lien against the Premises or any improvement thereon; provided, however, that nothing herein shall be deemed to prevent or prohibit Lessee from contesting the validity of any such tax, assessment or fee in a manner authorized by law.

ARTICLE 10
LESSEE'S RIGHT TO CONSTRUCT IMPROVEMENTS

10.1 Construction Permits and Licenses. Lessee shall procure, at its sole cost and expense, all permits and licenses that are or may in the future become necessary or required for its operation on the Premises. Lessee further agrees not to allow or permit any fee or charge for such permit or license to become delinquent or to become a lien on said Premises or any improvement thereon. District agrees, at no expense to District, to cooperate with Lessee in making application for and obtaining all licenses, permits, and any and all necessary approvals that may be required for Lessee's intended use of the Premises.

10.2 As-Built Plans and Construction Costs. Within sixty (60) days following completion of any substantial improvements within the Premises, Lessee, or its Engineer or Architect, shall furnish District a complete set of "As-Built" plans.

10.3 Construction of Facilities. District and Lessee acknowledge that, as consideration for the granting of this Lease, and as a security for this Lease, Lessee agrees to install, erect and construct improvements on the Premises as shown on Exhibit "B" attached hereto. Installation, erection and construction of said improvements or any additional improvements shall be at Lessee's sole cost and expense and according to Working Drawings and Schedules delivered to and approved by the Fire Chief in writing no less than sixty (60) days prior to commencement of construction. Lessee shall make no improvement or construction, including, but not limited to, trenching or concrete cutting, without first obtaining the prior written approval of District, which approval shall not be unreasonably withheld, conditioned or delayed. The Parties acknowledge that the Premises is an operating fire station and as such it shall not be deemed unreasonable for District to condition or delay the installation, erection and construction of improvements in such a manner as to ensure that there will be no interference with emergency fire and medical services. In addition, Lessee acknowledges that the concrete driveway is specifically designed to support the weight of a fire apparatus and as such agrees to replace or repair any cut concrete with the same depth and strength concrete.

10.4 Removal of Lessee's Fixtures, Equipment and Improvements. District agrees that all fixtures, equipment and improvements installed by Lessee in accordance with the provisions herein provided, and not being a replacement or repair of or for any improvement now existing and belonging to District, shall be and remain the property of Lessee. Lessee shall have the right to remove said fixtures, equipment and improvements prior to the termination of this Lease at its own expense, provided that any damage to District's property or improvements shall be repaired and the Premises left in as good order and condition as when Lessee took possession, normal wear and tear and casualty loss excepted. In the event Lessee does not so remove said fixtures and improvements within sixty (60) days of the expiration or earlier termination of this Lease, District, within sixty (60) days of expiration or termination of this lease, may remove and store said fixtures and equipment at Lessee's sole cost and expense, and Lessee shall pay to District the reasonable cost thereof, together with the reasonable cost of repair of resulting damages to District's property or improvements. Notwithstanding the foregoing, any tree planted by Lessee

shall remain on the Property after termination of the Lease.

ARTICLE 11 REPAIRS; MAINTENANCE

11.1 Acceptance of Premises. Lessee acknowledges that Lessee has made a thorough inspection of the Premises prior to the Commencement Date of this Lease, and that it accepts the Premises as of the Commencement Date in their condition at that time. Lessee further acknowledges that District has made no oral or written representations or warranties to Lessee regarding the condition of the Premises, and that Lessee is relying solely on its inspection of the Premises with respect thereto.

11.2 Lessee's Repair and Maintenance Obligations. Lessee shall have the right to install and maintain any landscaping (whether within or outside of the Premises) (the "Landscaping") required by any governing agency to be installed by Lessee in connection with Lessee obtaining all necessary approvals and permits to operate from the Premises. Additionally, Lessee shall have the right to install sprinklers and conduit, and tap into Lessor's irrigation system in order to water the Landscaping, provided however, Lessee shall be liable for the cost of any alterations required to be made to such system needed for the irrigation of the Landscaping. Lessor shall water the Landscaping, and maintain the irrigation system (other than that portion installed by Lessee, which portion shall be Lessee's responsibility), as reasonably needed at its sole cost and expense. Lessee shall make all repairs to the Premises necessitated by reason of the default or neglect of Lessee, its employees, agents, contractors, or subcontractors. Upon surrender of the Premises, Lessee shall deliver the Premises to District in good order, condition and state of repair, normal wear and tear excepted.

11.3 Lessee's Failure to Maintain. If Lessee refuses or neglects to repair, replace, or maintain the Premises, or any part thereof, in a manner reasonably satisfactory to District, District shall have the right, upon giving Lessee reasonable written notice of its election to do so, to make such repairs or perform such maintenance on behalf of and for the account of Lessee. If District makes or causes any such repairs to be made or performed, as provided for herein, Lessee shall pay the cost thereof to District, as additional rent, promptly upon receipt of an invoice therefore.

11.4 Right to Enter. In the event of an emergency situation which poses an immediate threat of substantial harm or damage to persons and/or property on District's Property and which requires entry on the Premises, District may enter the Premises and take such actions as are required to protect individuals or personal property from such immediate threat of substantial harm or damage; provided that promptly after such emergency entry into the Premises (and in no event later than twenty-four [24] hours), District gives telephonic and written notice to Lessee of District's entry onto the Premises. In addition to District's rights under the preceding sentence, District will have the right, exercisable not more than once during any calendar year, to enter the Premises to visually inspect the Premises upon thirty (30) days prior written notice to Lessee (which notice will specify the date and time on which District seeks to enter the Premises).

Except in the event of an emergency situation, District agrees that it will not enter the Premises without a representative of Lessee being present. Nothing herein contained shall imply any duty on the part of District to do any such work that, under any provision of this Lease, Lessee may be required to do, nor shall District's performance of any repairs on behalf of Lessee constitute a waiver of Lessee's default in failing to do the same. No exercise by District of any rights herein reserved shall entitle Lessee to any compensation, damages or abatement of rent from District for any injury or inconvenience occasioned thereby unless otherwise provided in this Lease.

11.5 District Not Obligated to Repair or Maintain; Lessee's Waiver of California Civil Code Section 1942. To the extent that any remedies specified in this Lease conflict or are inconsistent with any provisions of California Civil Code Section 1942, or any successor statute thereto ("CC §1942"), the provisions of this Lease shall control. Lessee specifically waives any right it may have pursuant to CC §1942 to effect maintenance or repairs to the Premises and to abate the costs thereof from rent due to the District under this Lease.

ARTICLE 12 INDEMNITY AND INSURANCE

12.1 Lessee's Indemnity. District shall not be liable for, and Lessee shall defend and indemnify District and its Directors, employees, attorneys, and agents of District (collectively "District Parties"), against any and all claims, demands, liability, judgments, awards, fines, mechanics' liens or other liens, labor disputes, losses, damages, expenses, charges or costs of any kind or character, including attorneys' fees and court costs (hereinafter collectively referred to as "Claims"), related to this Lease and arising either directly or indirectly from any act, error, omission or negligence of Lessee or its contractors, licensees, agents, servants or employees. Lessee shall have no obligation, however, to defend or indemnify District Parties from a Claim if it is determined by a court of competent jurisdiction that such Claim was caused by the negligence or willful misconduct of District Parties.

12.2 District's Indemnity. District shall defend and indemnify Lessee and hold it harmless from and against any Claims related to this Lease that arise solely from any act, omission or negligence of District Parties.

12.3 Covered Claims. The obligations of Lessee and District hereunder to indemnify, defend and hold each other harmless shall not apply to the extent that insurance carried by Lessee or District, other than any program of self-insurance covered by either party, covers any Claim.

12.4 Lessee's Insurance Obligations. Without limiting Lessee's indemnification obligations to District under this Lease, Lessee shall provide and maintain, during the Term and for such other period as may be required herein, at its sole expense, insurance in the amounts and form specified in Exhibit "D," attached hereto.

12.5 District's Insurance Obligations. District maintains a policy of All-Risk Insurance covering the District's Property including any fixtures and/or equipment owned by District that is located on or contained therein. The District utilizes a program of self-funding with regard to any liability it may incur for personal injury or property damage arising out its use or occupancy of the Property.

ARTICLE 13 HAZARDOUS MATERIALS

13.1 Hazardous Materials Laws-Definition. As used in this Section, the term "Hazardous Materials' Laws" means any and all federal, state or local laws or ordinances, rules, decrees, orders, regulations or court decisions (including the so-called "common law"), including without limitation the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended (42 U.S.C., § 9601 et seq.), the Hazardous Materials Transportation Act, as amended (49 U.S.C., § 1801 et seq.), the Resource Conservation and Recovery Act of 1976, as amended (42 U.S.C., § 6901 et seq.), and the California Environmental Quality Act of 1970, relating to hazardous substances, hazardous materials, hazardous waste, toxic substances, environmental conditions on, under or about the Premises, soil and ground water conditions or other similar substances or conditions.

13.2 Hazardous Materials - Definition. As used in this Article the term "Hazardous Materials" means any chemical, compound, material, substance or other matter that:

- a. is a flammable, explosive, asbestos, radioactive nuclear medicine, vaccine, bacteria, virus, hazardous waste, toxic, overtly injurious or potentially injurious material, whether injurious or potentially injurious by itself or in combination with other materials;
- b. is controlled, referred to, designated in or governed by any Hazardous Materials Laws;
- c. gives rise to any reporting, notice or publication requirements under any Hazardous Materials Laws, or
- d. is any other material or substance giving rise to any liability, responsibility or duty upon the District or Lessee with respect to any third person under any Hazardous Materials Law.

13.3 Lessee's Representations and Warranties. Lessee represents and warrants that, during the Term or any extension thereof, or for such longer period as may be specified herein, Lessee shall comply with the following provisions of this Article unless otherwise specifically approved in writing by District's Fire Chief:

- a. Lessee shall not cause or permit any Hazardous Materials to be brought, kept or used in or about the Premises by Lessee, its agents, employees, sublessees, assigns, contractors or invitees, except as reasonably required by Lessee for Lessee's permitted use of the Premises, as

described in Section 5.1, "Permitted Uses."

b. Any handling, transportation, storage, treatment or usage by Lessee of Hazardous Materials that is to occur on the Premises following the Commencement Date shall be in compliance with all applicable Hazardous Materials Laws;

c. Any leaks, spills, release, discharge, emission or disposal of Hazardous Materials at the Premises that are directly caused by Lessee following the Commencement Date shall be promptly and thoroughly cleaned and removed from the Premises by Lessee at its sole expense, and any such discharge shall be promptly reported in writing to District, and to any other appropriate governmental regulatory authorities as required by law;

d. No friable asbestos shall be constructed, placed on, deposited, stored, disposed of, or located by Lessee in the Premises;

e. No underground improvements, including but not limited to treatment or storage tanks, or water, gas or oil wells shall be located by Lessee on the Premises without District's prior written consent;

f. In the event Lessee causes a spill or discharge of Hazardous Materials at the Premises, Lessee shall conduct and complete all investigations, studies, sampling, and testing procedures and all remedial, removal, and other actions necessary to clean up and remove all such Hazardous Materials on, from, or affecting the Premises in accordance with all applicable Hazardous Materials' Laws and to the satisfaction of District;

g. Upon request, Lessee shall promptly supply District with copies of all notices, reports, correspondence, and submissions regarding the Premises made by Lessee to the United States Environmental Protection Agency, the United Occupational Safety and Health Administration, and any other local, state or federal authority which requires submission of any information concerning environmental matters or hazardous wastes or substances pursuant to applicable Hazardous Materials' Laws;

h. Lessee shall promptly notify District of any liens threatened or attached against the Premises pursuant to any Hazardous Materials' Law as a result of any Hazardous Materials brought on the Premises by Lessee. If such a lien is filed against the Premises, then, within the earlier of (i) twenty (20) days following such filing, or (ii) before any governmental authority commences proceedings to sell the Premises pursuant to the lien, Lessee shall either: (a) pay the claim and remove the lien from the Premises, or (b) furnish either (1) a bond or cash deposit reasonably satisfactory to District in an amount not less than the claim from which the lien arises, or (2) other security satisfactory to District in an amount not less than that which is sufficient to discharge the claim from which the lien arises. At the end of this lease, Lessee shall surrender the Premises to District free of any and all Hazardous Materials brought on the Premises by Lessee and in compliance with all Hazardous Materials' Laws affecting the Premises.

13.4 Indemnification.

a. Lessee (and, if applicable, each of its general partners) and its successors, assigns, and guarantors, if any, jointly and severally agree to protect, indemnify, defend (with counsel approved by District) reimburse and hold District and its officers, Directors, employees, attorneys, and agents harmless from any claims, judgments, damages, penalties, fines, costs or expenses (known or unknown, contingent or otherwise), liabilities (including sums paid in settlement of claims), personal injury (including wrongful death), property damage (real or personal) or loss, including attorneys' fees, consultants' fees, and experts' fees (consultants and experts to be approved by District) which arise during or after the Term from the storage, use, discharge and/or disposal of Hazardous Materials by Lessee, its employees or agents during the Term anywhere in the Premises, including the soil, ground water or soil vapor on or under the Premises. Without limiting the generality of the foregoing, the indemnification provided by this Article shall specifically cover costs incurred in connection with investigation of site conditions or any cleanup, remedial, removal or restoration work required by any Hazardous Materials Laws because of the presence of Hazardous Materials in the soil, ground water or soil vapor on the Premises, and the release or discharge of Hazardous Materials by Lessee during the course of Lessee's alteration or improvement of the Premises.

b. District hereby represents and warrants that, to the best of District's knowledge, information, and belief, the Premises and Property are presently free of all Hazardous Materials. District shall indemnify, defend, protect, and hold Lessee harmless from and against any and all claims, loss, proceedings, damages, cause of action, liability, costs, or expenses (including attorney's fees) arising as a result of any Hazardous Materials which exist within the District's Property, common areas, building, or the Premises as of the date this Lease is fully executed and any Hazardous Materials which are present within the Property, common areas, building, or the Premises after said date which are not the direct result of the activities of Lessee. Without limiting the generality of the foregoing, the indemnification provided by this Article shall specifically cover costs incurred in connection with investigation of site conditions or any cleanup, remedial, removal or restoration work required by any Hazardous Materials Laws because the presence of Hazardous Materials in the soil, ground water or soil vapor on the Property and Premises due to Lessee, and the release or discharge of Hazardous Materials by District during the course of Lessee's tenancy at the Premises.

13.5 Remedies Cumulative; Survival. The provisions of this Article shall be in addition to any and all reciprocal obligations and liabilities that the Lessee and District may have at common law, and any remedies and the environmental indemnities provided for herein shall survive the expiration or termination of this Lease and/or any transfer of all or any portion of the Premises, or of any interest in this Lease, and shall be governed by the laws of the State of California.

ARTICLE 14 ASSIGNMENT AND SUBLETTING

Except as otherwise provided herein, Lessee shall not voluntarily or involuntarily assign, sublease, mortgage, encumber, or otherwise transfer (collectively, a "Transfer") all or any portion of the Premises or its interest in this Lease without District's prior written consent, and said consent may not be unreasonably withheld, conditioned, or delayed. Notwithstanding the foregoing District may withhold its consent to any sublease which adds additional users to the Property and Premises. Any attempted Transfer without District's consent shall be void and shall constitute a material breach of this Lease. As used herein, the term "Transfer" shall include an arrangement (including without limitation management agreements, concessions, and licenses) that allows the use and occupancy of all or part of the Premises by anyone other than Lessee. Lessee may freely assign this Lease at any time to any of Lessee's principles, affiliates, subsidiaries of its principals; to any entity which acquires all or substantially all of Lessee's assets in the market defined by the Federal Communications Commission in which the Property is located by reason of a merger, acquisition or other business reorganization; or to any entity which acquires or receives an interest in the majority of communication towers of Lessee in the market defined by the Federal Communications Commission in which the Property is located.

ARTICLE 15 DISTRICT'S RIGHT OF ACCESS

District, its agents, employees, and contractors may enter the Premises pursuant to the terms of Section 11.4, "Right to Enter." Lessee waives any claim of injury or inconvenience to Lessee's business, interference with Lessee's business, loss of occupancy or quiet enjoyment of the Premises, or any other loss occasioned by such entry. If necessary, Lessee shall provide District with keys to unlock all of the doors or gates in the Premises (excluding Lessee's vaults, safes, and similar areas designated in writing by Lessee in advance). District will have the right to use any means that District may deem proper to open doors in the Premises and to the Premises in an emergency. No entry to the Premises by District by any means will be a forcible or unlawful entry into the Premises or a detainer of the Premises or an eviction, actual or constructive, of Lessee from the Premises, or any part of the Premises, nor will the entry entitle Lessee to damages or an abatement of rent or other charges that this Lease requires Lessee to pay unless otherwise provided in this Lease.

ARTICLE 16 QUIET ENJOYMENT

If Lessee is not in breach under the covenants made in this Lease, District covenants that Lessee shall have peaceful and quiet enjoyment of the Premises without hindrance on the part of District. District will defend Lessee in the peaceful and quiet enjoyment of the Premises against claims of all persons claiming through or under the District.

ARTICLE 17 NOTICES

17.1 Notices. Whenever in this Lease it shall be required or permitted that notice or demand be given or served by either party to this Lease to or on the other, such notice or demand shall be in writing, mailed or delivered to the other party at the following addresses:

P.O. Box 410
Rancho Santa Fe, California 92067

Copy to: Stephen J. Fitch, Esq.
Stephen J. Fitch & Associates, APC
3465 Camino Del Rio South, Ste. 250
San Diego, California 92108

To Lessee: Verizon Wireless (VW) LLC,
d/b/a Verizon Wireless
ATTN: Network Real Estate
180 Washington Valley Road
Bedminster, New Jersey 07921

Mailed notices shall be sent by United States Postal Service, certified or registered mail, postage prepaid and shall be deemed to have been given, delivered and received upon receipt or refusal as shown on the receipt. All other such notices or other communications shall be deemed given, delivered and received upon actual receipt. Either party may, by written notice delivered pursuant to this provision, at any time designate a different address to which notices shall be sent.

17.2 Default Notices. Notwithstanding anything to the contrary contained within this Article, any notices District is required or authorized to deliver to Lessee in order to advise Lessee of alleged violations of Lessee's covenants under this Lease must be in writing but shall be deemed to have been duly given or served upon Lessee by District mailing a copy of such notice to Lessee in the manner specified in the preceding Section

ARTICLE 18 WAIVER OF RELOCATION ASSISTANCE BENEFITS

18.1 Relocation Assistance Benefits. Lessee is hereby informed and acknowledges the following:

a. By entering into this Lease and becoming a tenant of District, Lessee may become entitled to receipt of "relocation assistance benefits" ("Relocation Benefits") pursuant to the Federal Uniform Relocation Assistance Act (42 U.S.C. §§ 4601 et seq.) and/or the California Relocation Assistance Law (Cal. Gov. Code §§ 7270 et seq.) (collectively, the "Relocation Statutes"), should District at some time make use of the Premises in such a way as to "displace"

Lessee from the Premises. Pursuant to the Relocation Statutes, District may then become obligated to make such payments to Lessee even where such displacement of Lessee does not otherwise constitute a breach or default by District of its obligations pursuant to this Lease.

b. Under the Relocation Statutes in effect as of the Effective Date of this Lease, Relocation Benefits may include payment to such a "displaced person" of (i) the actual and reasonable expense of moving himself or herself and a family, business, or farm operation, including personal property, (ii) the actual direct loss of reestablishing a business or farm operation, but not to exceed Ten Thousand Dollars (\$10,000), or (iii) payment in lieu of moving expenses of not less than One Thousand Dollars (\$1,000) or more than Twenty Thousand Dollars (\$20,000).

18.2 Lessee's Waiver and Release of Relocation Benefits. In consideration of District's agreement to enter into this Lease, Lessee hereby waives any and all rights it may now have, or may hereafter obtain, to Relocation Benefits arising out of the District's assertion or exercise of its contractual rights to terminate this Lease pursuant to its terms, whether or not such rights are contested by Lessee or any other entity, and releases District from any liability for payment of such Relocation Benefits; provided, however, that Lessee does not waive its rights to Relocation Benefits to the extent that Lessee's entitlement thereto may arise out of any condemnation or pre-condemnation actions taken by the District or any other public agency with respect to the Premises. Lessee shall in the future execute any further documentation of the release and waiver provided hereby as District may reasonably require.

ARTICLE 19 GENERAL PROVISIONS

19.1 Authority. District and Lessee each represent and warrant to the other party that it has full power and authority to execute and fully perform its obligations under this Lease pursuant to its governing instruments, without the need for any further action, and that the person(s) executing this Lease on behalf of such party are the duly designated agents authorized to do so.

19.2 Brokers. District and Lessee each warrant to the other party that it has had no dealings with any real estate broker or agent in connection with the negotiation and/or execution of this Lease. In the event any broker other than the brokers acknowledged in writing by the parties make claim for monies owed, the party violating this warranty shall indemnify, defend and hold the other party harmless therefrom.

19.3 Captions. The captions, headings and index appearing in this Lease are inserted for convenience only and in no way define, limit, construe, or describe the scope or intent of the provisions of this Lease.

19.4 District Approval. Except where stated herein to the contrary, the phrases

"District's approval," and "District's written approval" or such similar phrases shall mean approval of District's Fire Chief or said Fire Chief's representative as authorized by said District in writing.

19.5 Cumulative Remedies. In the event of a default under this Lease, each party's remedies shall be limited to those remedies set forth in this Lease; any such remedies are cumulative and not exclusive of any other remedies under this Lease to which the non-defaulting party may be entitled.

19.6 Entire Agreement. This Lease, together with all addenda, exhibits and riders attached hereto, constitutes the entire agreement between the parties with respect to the subject matter hereof, and all prior or contemporaneous agreements, understandings and representations, oral or written, are superseded.

19.7 Estoppel Certificate. Either party may request from the other party, that within twenty (20) business days of written notice from the requesting party, execute and deliver to the requesting party a statement in writing certifying that this Lease is unmodified and in full force and effect or, if modified, stating the nature of such modification. The responding party's statement shall include other details requested by the requesting party, such as the date to which rent and other charges are paid, the current ownership and name of the responding party, the responding party's knowledge concerning any outstanding defaults with respect to the requesting party's obligations under this Lease and the nature of such defaults if they are claims. Any such statement may be relied upon conclusively by any prospective purchaser or encumbrancer of the Premises. A party's failure to deliver such statements within such time shall be conclusive upon said party that this Lease is in full force and effect, except to the extent any modification has been represented by the requesting party, and that there are no uncured defaults in the requesting party's performance, and (if applicable) that not more than one month's rent has been paid in advance.

19.8 Exhibits. All exhibits referred to herein are attached hereto and incorporated by reference.

19.9 Force Majeure. In the event either party is prevented or delayed from performing any act or discharging any obligation hereunder, except for the payment of rent by Lessee, because of any and all causes beyond either party's reasonable control, including unusual delays in deliveries, abnormal adverse weather conditions, unavoidable casualties, strikes, labor disputes, inability to obtain labor, materials or equipment, acts of God, governmental restrictions, regulations or controls, any hostile government actions, civil commotion and fire or other casualty, legal actions attacking the validity of this Lease or the District's occupancy of the Premises, or any other casualties beyond the reasonable control of either party except casualties resulting from Lessee's negligent operation or maintenance of the Premises ("Force Majeure"), performance of such act shall be excused for the period of such delay, and the period for performance of such act shall be extended for a period equivalent to the period of such delay. Force Majeure shall not include any bankruptcy, insolvency, or other financial inability on the

part of either party hereto.

19.10 Governing Law. This Lease shall be governed, construed and enforced in accordance with the laws of the State of California.

19.11 Interpretation. The parties have each agreed to the use of the particular language of the provisions of this Lease, and any question of doubtful interpretation shall not be resolved by any rule of interpretation providing for interpretation against the parties who cause an uncertainty to exist or against the draftsman.

19.12 Joint and Several Liability. If more than one person or entity executes this Lease as Lessee, each of them is jointly and severally liable for all of the obligations of Lessee hereunder.

19.13 Lease Administration. This Lease shall be administered on behalf of District by the Fire Chief or by such person's duly-authorized designee (referred to collectively herein as "District's Fire Chief"), and on behalf of Lessee by: Verizon Wireless (VAW) LLC, d/b/a Verizon Wireless, Attn: Network Real Estate, 180 Washington Valley Road, Bedminster, New Jersey 07921, or by such other person as may be designated in writing by Lessee (referred to collectively herein as "Lessee's Fire Chief").

19.14 Lessee's Lease Administration. Lessee confirms that Lessee's Fire Chief has been given full operational responsibility for compliance with the terms of this Lease. District may contact Lessee's representative identified under Article 17.1 to resolve problems or answer question pertaining to this Lease and Lessee's operations on the Premises.

19.15 Liquidated Damages. Any payments by Lessee to District under this Lease described as liquidated damages represent the parties' reasonable estimate of District's actual damages under the described circumstances, such actual damages being uncertain and difficult to ascertain in light of the impossibility of foreseeing the state of the leasing market at the time of the various deadlines set forth herein. District may, at its election, take any of the liquidated damages assessed in any portion of this Lease as direct monetary payments from Lessee and/or as an increase of rent due from Lessee under this Lease.

19.16 Modification. The provisions of this Lease may not be modified, except by a written instrument signed by both parties.

19.17 Partial Invalidity. If any provision of this Lease is determined by a court of competent jurisdiction to be invalid or unenforceable, the remainder of this Lease shall not be affected thereby. Each provision shall be valid and enforceable to the fullest extent permitted by law.

19.18 Payments. Except as may otherwise be expressly stated, each payment required to be made by Lessee shall be in addition to and not in substitution for other payments to be made

by Lessee.

19.19 Successors & Assigns. This Lease shall be binding on and inure to the benefit of the parties and their successors and assigns, except as may otherwise be provided herein.

19.20 Time of Essence. Time is of the essence of each and every provision of this Lease.

19.21 Waiver. No provision of this Lease or the breach thereof shall be deemed waived, except by written consent of the party against whom the waiver is claimed. The waiver by District of any breach of any term, covenant or condition contained in this Lease shall not be deemed to be a waiver of such term, covenant or condition of any subsequent breach thereof, or of any other term, covenant or condition contained in this Lease. District's subsequent acceptance of partial rent or performance by Lessee shall not be deemed to be an accord and satisfaction or a waiver of any preceding breach by Lessee of any term, covenant or condition of this Lease or of any right of District to a forfeiture of the Lease by reason of such breach, regardless of District's knowledge of such preceding breach at the time of District's acceptance. The failure on the part of District to require exact or full and complete compliance with any of the covenants, conditions of agreements of this Lease shall not be construed as in any manner changing or waiving the terms of this Lease or as estopping District from enforcing in full the provisions hereof. No custom or practice which may arise or grow up between the parties hereto in the course of administering this Lease shall be construed to waive, estopp in any way lessen the right of District to insist upon the full performance of, or compliance with, any term, covenant or condition hereof by Lessee, or construed to inhibit or prevent the rights of District to exercise its rights with respect to any default, dereliction or breach of this Lease by Lessee.

19.22 Memorandum Of Lease. Both parties agree that, upon the request of a party, the parties will promptly execute and deliver a recordable Memorandum of this Lease in the form of Exhibit "C."

19.23 Waiver of Consequential Damages. Notwithstanding any provision to the contrary contained in this Lease, under no circumstances shall either party be liable to the other for any consequential damages.

[SIGNATURE PAGE FOLLOWS]
